#### ABSTRACT

This packet contains the FLES (Foreign Language in the Elementary School) Program Evaluation Inventory (FPEI), which provides teachers and administrators with diagnostic information concerning their elementary school foreign language program. The inventory consists of five different forms: the FPEI for FLES Teachers, the FPEI for Classroom Teachers, the FPEI for Children, the FPEI for Principals and Administrators, and the FPEI for Parents. FPEI administrators are instructed to duplicate the number of evaluations necessary, number the forms of each category consecutively in the upper right hand corner, send with the FPEI a brief cover letter explaining why the FLES program is being evaluated and how the data collected will be used, and provide an addressed, stamped envelope for return of the FPEI. A sample cover sheet for organization of FPEI evaluation is included. (SM)

#### **DIRECTIONS FOR ADMINISTERING**

Developed by utilizing the research on Foreign Language in the Elementary School (FLES), the *FLES Program Evaluation Inventory (FPEI)* provides teachers and administrators with diagnostic information concerning their elementary school foreign language program. The inventory consists of five different forms: The FPEI for FLES Teachers, The FPEI for Classroom Teachers, The FPEI for Children, The FPEI for Principals and Administrators, and The FPEI for Parents.

- 1. Duplicate the number of evaluations necessary. Each "smiling face"/"frowning face" rating sheet for children should be cut into four forms. Each form for Grades 2-5 should be cut in half. The sample forms are for Spanish. Change the language if you are evaluating another.
- 2. Number the forms of each category (Classroom Teachers, FLES Teachers, Parents, etcetera) consecutively in the upper right hand corner.
- 3. Send with the FPEI a brief cover letter explaining why you are evaluating the FLES program, and how the data collected will be used. Include in the cover letter a deadline date (one week from when the respondent receives the inventory) for return of the survey.
- 4. Include an addressed, stamped envelope for return of the FPEI.

Re: Elementary Foreign Language Program Assessment

Enclosed are the following materials you will need for the assessment of our elementary foreign language program.

- 1) FLES Program Evaluation Inventory for FLES Teachers
- 2) Cover letter to classroom teachers
- 3) Classroom Teacher Survey of FLES Program
- 4) Response sheets with faces for grades K-1.
- 5) Questions to be read to grades 1,2
- 6) Separate response sheets with yes/no questions for 2<sup>nd</sup> grade, 3<sup>rd</sup> grade, 4<sup>th</sup> grade, and 5<sup>th</sup> grade.

The following is a suggested procedure which, hopefully, will allow the survey to be completed quickly and efficiently.

- 1. Prior to class, give the classroom teacher his/her manila envelope with cover letter, teacher survey, and student surveys.
- 2. Ask the teacher to complete Classroom Teacher Survey prior to foreign language class.
- 3. Ask the classroom teacher to read the questions to the children during a portion of one of your classes while you wait outside.
- 4. Ask the classroom teacher to put her/his Teacher Survey and all Student Surveys (including extras) in the manila envelope, seal or tape it closed, and give the envelope to you.
- 5. Put all classroom packets in the large manila envelope in which materials were received.

Please keep in mind that teachers are very busy during the last weeks of school. It is to our advantage to complete the survey as soon as possible. The completed survey needs to be returned to me one week after you receive your packets. Please call me as soon as they are ready and they will be picked up at your school. Thank you!
